

**DIRECTIONS:**

Apply **CRETE-DISSOLVE** undiluted with foamer, sprayer or conventional brush to surfaces to be cleaned. Allow 5-10 minutes contact time and then re-apply keeping the surface wet with **CRETE-DISSOLVE**. After approximately 20 minutes total contact time, brush to remove heavier build-up. Rinse thoroughly. Heavy build-up on neglected or un-assigned trucks can be eliminated by washing in the usual manner then applying truck cleaner again on build-up only and allow to react. Brush affected areas the following day and use a putty knife or scraper where necessary, repeat the process daily for several days until all build-up is removed. **CRETE-DISSOLVE** can be left on hardened concrete overnight. **CRETE-DISSOLVE** may be used on the cabs of trucks to remove cement dust and splatter, but not left overnight. Rinse completely.

**CRETE-DISSOLVE** can be diluted for daily cleaning.

Use **CRETE-DISSOLVE** on Ready Mix Concrete Equipment, Chutes, Concrete Pumps and Equipment, Laser Screeds, Power Buggies, Concrete Cutting Equipment, Concrete Finishing Equipment, Forms and Accessories, Concrete Paving and Slip Form Equipment.

**Safety, Storage, Shelf Life:**

Always wear proper PPE when handling or working with any chemical. Do NOT apply any chemicals on sun baked surfaces. Product is guaranteed for one year in original container.
